

Next Steps for the Community Capital Works Allocation

Four community workshops will be held in Foster, Korumburra, Mirboo North and Venus Bay to provide their recommendation of additional capital works projects to be completed by Council in 2017/18.

These workshops have been implemented as part of the Community Capital Works Allocation project that is encouraging these communities to allocate an additional \$400,000 in their towns (\$1.6M total) for capital works.

All individuals from these areas are invited to attend to discuss the ideas raised in the online forums held in September and help provide a recommendation that will be presented to Council in December.

The four community workshops will be held at the following times and locations:

- 26 October – Mirboo North Hall
- 27 October – Foster War Memorial Arts Centre
- 2 November – Venus Bay Community Centre
- 3 November – Korumburra Italian Social Club

Registration for each event opens at 5.30pm with light refreshments provided during the sessions.

Individuals wishing to attend can register online at www.southgippsland.vic.gov.au/communityworkshops or by contacting Council on 5662 9200.

The results of the online forums are still available for view at www.oursay.org.southgippsland.
