Leongatha VIC 3953

Dear [REDACTED]

RE: Proposed road name for unnamed road - Leongatha

South Gippsland Shire Council has made a decision on the name for the unnamed road off South Gippsland Hwy, Leongatha.

Council sent out a survey form to all abutting land owners of this unnamed road to gauge an indication if they agreed or disagreed with the proposed name of "AVERY LANE". The outcome of this resulting in 100% community consent for the proposed name of **AVERY**.

A report will now be presented to Council requesting the name of "Avery Lane" be endorsed, at its meeting to be held on 22 November 2017.

You may object to this proposal by responding to this [notice/letter/email] or by attending the meeting above and voicing your objection. All objections must be received by 15 November 2017 within 30 days of this notice.

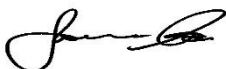

If you plan to object you must address the following points:

- your interest in the naming proposal –e.g. if your address is affected or you have a personal link with the place and/or name.
- reasons why the name is not appropriate, including how it is considered to not comply with the Naming rules for places in Victoria – Statutory requirements for naming roads, features and localities – 2016.

South Gippsland Shire Council will not consider objections that do not explain why the objector opposes the name.

Please feel free to contact myself on 5662 9303, for further information or email;
