Introduction

Council sets the Community Grants allocation each financial year when formulating the annual budget. Funds are allocated through the Community Grants Program to support beneficial projects/activities and events for the South Gippsland Shire.

Community Grants funding is available under the following categories:

- Small Grants Program
- Emergency Grants Program
- Minor Projects and Equipment
- Festivals and Events
- Planning Development Reports and
- Major Projects and Equipment.

Grant options within the South Gippsland Shire Council Community Grants program are accessible only by community, volunteer and not-for-profit organisations. Commercial and business entities are not eligible to apply for grants under this program.

Objectives

The objectives of the South Gippsland Shire Council Community Grants listed below are outlined in the Council Community Grants Policy:

a. Grants for a range of initiatives that support the achievement of the strategic goals and outcomes of the Council Plan and enhance the quality of life, heritage, recreation and cultural opportunities of the broader South Gippsland community.

b. A program that is flexible and responsive to the needs of the community.

c. A program that minimises the administrative burden on volunteers without undermining good governance and asset management principles.

d. Provide opportunities to volunteer groups and organisations, which would otherwise have limited access to funds to expand or maintain community engagement within the community.

e. Support to Community Groups to increase self-reliance without encouraging a relationship of dependence.

Conditions of funding

a. All applicants must provide Council with an ABN or evidence of tax exempt status. Failure to comply with this requirement will require Council to withhold 48.5% of the grant and remit it to the ATO. All grant recipients must provide a Tax Invoice or signed “statement by supplier” to obtain grant funds.

b. Applicants must ensure that if their project requires building approvals or is required to fulfil any other statutory requirements that these obligations are met and evidence is provided to Council’s Grants Officer before commencement of the project. The approval of a Community Grant does not warrant approval for these.

c. Applicants are accountable for the grant by acknowledging and formally agreeing to the Conditions of Funding.

d. Applications granted funds for leveraging to other funding programs will not receive the allocated Community Grant until the additional funding is approved and evidence provided to the Grants Officer. Where Council is required to auspice an application or the event is on Council owned or managed land, the applicant is to abide by Council’s Community Project Management Policy. Applicant is to notify Council in writing as soon as possible if additional funding is not successful. Allocated funds from the Community Grants program will then be withdrawn.

e. Council requires an acquittal within 12 months of the funding being approved. Unless prior arrangements have been made, any funds not expended by the end of the 12 month period may be withdrawn and/or reallocated. Failure to supply a final report will result in applicants being ineligible for funding in subsequent years until the report is provided.

g. The Occupational Health and Safety Act (2004) outlines the responsibilities for employers regarding the protection of Health and Safety in the workplace. Even though groups may be “not for profit” organisations and using predominately volunteer labour, it is important to note that the Act remains applicable. Therefore, as a condition of accepting this Grant, community organisations must ensure that any works undertaken are done in a manner that, as far as practical, is safe and without risk to health, as well as abide by any reasonable direction made by Council’s authorised officers in this regard.

h. Council may, if it considers a project to be of high risk, request the completion of a Job Safety Analysis Sheet(s) for the project, or elements of the project. Until these are provided to the satisfaction of Council; no grant monies may be paid.

i. Council’s contribution is to be appropriately acknowledged in all publicity, media releases, and signage. This includes affixing the sponsorship plaque provided by Council in location appropriate to the project. An invitation to attend events, festivals, launches, openings etc must be extended to South Gippsland Shire Councillors.

j. The Council may apply any special conditions it believes appropriate in regard to the funding of a particular application.

k. Council may appoint a Steering Committee for selected development studies. Members of the Steering Committee will be appointed by the CEO.

l. Council reserves the right to terminate or seek repayment of any funding if it believes that the applicant has spent it on items not associated with its original application and allocated purpose or has otherwise misappropriated the funds, or any other reason Council deems sufficient cause.

Successful applicants are encouraged to present information to Council at public presentation sessions on progress and or completion of their activity.

The approval of funding allocations remains with Council. Council may, however, from time to time delegate this responsibility, either indefinitely or temporarily, to the Chief Executive Officer or his/her delegate. Such delegations are subject to any terms and conditions that the Council deems appropriate.
