

## Ideas Exhibition Ready for Leongatha Railway Site

Community members are invited to the Leongatha Railway Site Ideas Exhibition to discuss the many ideas provided by the community to improve the site.

There have been a few popular ideas including reinstating a connection to Bair Street, designing a stage for events and emphasising the link with the Great Southern Rail Trail.

Some more unique ideas have included backpacker accommodation, to put in an Argentinean restaurant in the station with a train as the dining room and an old-style drinking room, and installing electric car chargers.

The Ideas Exhibition will be held on Friday 19 May from 4.00pm to 7.00pm in Council Chambers, Michael Place, Leongatha.

Everyone is encouraged to attend to refine the ideas shared at the Ideas Fair and online to create a site the whole community can enjoy.

South Gippsland Shire Council's Senior Strategic Planning Officer Chantal Lenthall was pleased with the number of ideas shared so far.

"We have had over 105 ideas shared at our Ideas Fair and on the online OurSay forum. Now we can discuss the possibility of these options and determine the highest priorities.

"The Ideas Exhibition will provide us with the opportunity to discuss what has been submitted. This will be a social affair so please bring your friends and come and share your thoughts," said Ms Lenthall.
