LEONGATHA MEMORIAL HALL WORKS

There will be some disruption to pedestrian traffic in front of and around the Leongatha Memorial Hall in coming weeks while the building is repainted and the clock restored.

There will be elevated work platforms and tradespeople working in the area and the Michael Place laneway, between the hall and the Mechanics Institute, will be closed at different times. Please stay clear of the restricted areas. The clock will be removed and sent to Melbourne so the casing can be replicated. It is envisaged the clock will be reinstalled prior to Anzac Day on 25 April. Council apologises for any inconvenience.
