

## NOTICE OF DRAFT DOMESTIC ANIMAL MANAGEMENT PLAN 2017-2021

Council has prepared a draft Domestic Animal Management Plan (DAMP) for public exhibition. Council is required to have a DAMP under the Domestic Animals Act 1994. The DAMP sets the strategic direction for domestic animal management within South Gippsland Shire, and will also explore ways to improve our current practices and identify potential future directions and action plans. The draft DAMP can be viewed on Council's website and at Council's Customer Service Centre. It is also available for inspection at all South Gippsland libraries, the Tarwin Lower District Health Centre and the Venus Bay Community Centre. Any person may lodge a written submission relating to the draft DAMP.
