

## Small Business Coaching Opportunity

South Gippsland businesses will soon have the opportunity to participate in free business coaching sessions.

The sessions will be held every second Wednesday of the month, alternating locations between Leongatha, Korumburra and Foster between the times of 10.00am to 2.00pm.

Businesses will be able to utilise the one off coaching sessions to learn about general business planning, marketing, management and finance. With an emphasis on planning to start your own business or growing it.

South Gippsland Shire Council's, Manager of Economic Development and Tourism Renae Littlejohn is encouraging local businesses to participate.

"Partnering with the Small Business Mentoring Service to offer free business coaching for local business is another way that Council is supporting small businesses in the Shire,

"Business coaching offers support, new ideas, skills and knowledge to local business owners. It is proven to be a worthwhile service".
