

PushIt! Lab is Coming to South Gippsland

South Gippsland Shire Council is proud to welcome PushIt! Lab, a free hip-hop and electronic music workshop series, to South Gippsland these school holidays.

Music industry facilitators will guide young people (12-25 year olds) in music production and song writing through a three day program. Production theory and practice, lyricism and song structure, recording and foundation Ableton production will be covered while participants create their own original music.

The workshop will take place from 15-17 April from 10.00am to 4.00pm each day downstairs at Serafino's, Bair Street, Leongatha.

South Gippsland Shire Council's Community Strengthening Officer Sophie Dixon was encouraging young people to book their place as soon as possible.

"PushIt! Lab is open to young people interested in making hip-hop and electronic music at any level. Only 13 places are available so registrations are essential.

"Whether you're already making bangers or are completely new to music making, this is the project for you!" said Sophie

Registrations are now open at www.surveymonkey.com/r/QVZRRV5. Participants must commit to all three days. Food and drinks will be provided and transport assistance is available for those who may need it.

For more information contact Sophie on 5662 9200, 0418 949 860 or sophied@southgippsland.vic.gov.au. Further details are also available on the South Gippsland FReeZA Facebook page or The Push It Inc. website www.thepush.com.au
