

South Gippsland Seniors Festival

There are over 2,500 events on offer as part of this year's Victorian Seniors Festival. Activities will be occurring across the state from 6 – 13 October and South Gippsland seniors are encouraged to embrace this year's festival theme and 'get into it!'

"There are so many activities to experience locally this year," said South Gippsland Shire Council's Active Ageing Officer, Cavell Ferrier.

"Australian music legend Lonnie Lee will be performing a free concert in Korumburra and bus trips to local and regional galleries are planned.

"We have also secured the screening rights for an award winning film called *Faces Places...* and that's just a handful of the events on offer," said Ms. Ferrier.

Seniors can travel for free on public transport throughout the Seniors Festival upon presentation of a Victorian Seniors Card. This makes it easier to access the many free or low-cost events that are being run across the state.

"A number of local businesses are also offering special discounts for seniors throughout the festival which is great to see. We would like to thank them for their involvement," said Ms. Ferrier.

You can download a program of all the South Gippsland Seniors Activities at www.southgippsland.vic.gov.au/seniorsfestival. If you need assistance booking events, please contact Cavell on 5662 9200.
