

Halloween at Coal Creek

Get ready for some spooky fun at this year's Halloween event at Coal Creek Community Park and Museum. Ride the Ghost Train, go trick or treating or enjoy the magic show; there are plenty of activities to keep the whole family entertained.

Coal Creek Community Park and Museum Coordinator Rowena Ashley is excited about this year's event.

"Halloween is the biggest event on the Coal Creek calendar and we are thrilled to once again be able to host a great program of spooky entertainment. We love getting into the spirit of Halloween by dressing up, decorating the buildings and sourcing fun activities. This year we have fire twirlers, snakes and apple bobbing. It's an impressive mix," said Ms. Ashley.

This year's Halloween event will be held on Saturday 26 October from 5.30pm – 10.00pm. A gold coin entry fee is charged per person. Tickets are required for trick or treating, the Ghost Train and the magic show and can be purchased via Eventbrite or at the venue. Pre-purchase is encouraged as some of the activities are already close to being sold out.

"Halloween is a great night to get a little bit silly by dressing up in your scariest costume. We are always amazed at how much effort people put into their outfits. We appreciate it and we know the kids do too. This year there are cash prizes for best costume up for grabs, so don't be afraid to go all out" said Ms. Ashley.
