

## Climate Change – 24 Hours of Reality

A presentation about climate change will be held in Leongatha on Thursday 21 November as part of a global conversation about the climate crisis. Volunteer presenters Dave Arnault and Aileen Vening will outline the basics of climate change, its impacts and what we can do to help. Both presenters have been trained by former US Vice President Al Gore.

South Gippsland Shire Council's Sustainability Officer Brad Kijlstra-Shone is pleased that a presentation will be held locally.

“Conversations about the climate crisis are being held across the world on November 20-21 by not-for-profit group *Climate Reality* as part of a global “*24 Hours of Reality: Truth in Action*” initiative. Holding an event locally provides a great opportunity for people who have heard about climate change and would like to know more about the science or who have questions they would like answered.”

The Leongatha “*24 Hours of Reality: Truth in Action*” presentation will be held on Thursday 21 November in Council Chambers, Michael Place, Leongatha from 7.00pm – 8.30pm. For more information or to RSVP please visit: [tinyurl.com/24hrsLeongatha](http://tinyurl.com/24hrsLeongatha)
