

South Gippsland Shire Council News Make Your Travel Plans Count This Year

As we get into the swing of things for the new year some of us will begin to think about our travel plans for 2020.

A great way we can help our neighbours who are affected by bushfires is to consider visiting when it is safe to do so. You can book accommodation, dinner, cruises, experiences and tours now and redeem them later.

By booking and paying now you can help fire-affected communities recover economically and enjoy your trip at a time when it is convenient and safe.

If you want to start planning, Roadtrip for Good is a great start! Bushfire affected communities are able to mark themselves as rural roadtrip stops.

Visit their website to see where you can stop to help at www.roadtripforgood.org.au

It is also important to remember, while we support those around us that we also consider our own patch too.

South Gippsland is blessed with our stunning landscape and many local gems to visit that appreciate our support.

Not sure where you want to go locally? Call in to our Visitor Information Centre in Foster or give them a call on 1800 630 704. You can also view the Visit Prom Country website at www.visitpromcountry.com.au
