South Gippsland Shire Council News Making Our Parks and Gardens Flourish

Local parks and gardens across the region are something Council regularly receives compliments on from our residents and visitors.

It takes a lot of work and planning from our Parks and Gardens team for our towns to be bursting with colour and for people to have places to enjoy a bit of nature.

This week alone we have team members out in Mirboo North making sure that Baromi Park and surrounding gardens are in tip top shape for the Mirboo North Italian Festa.

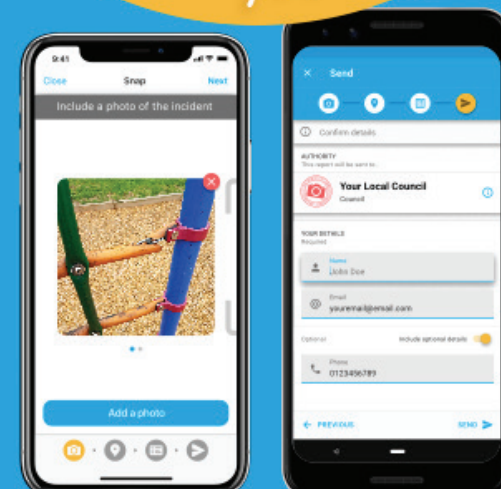

Our team regularly ensures that gardens and parks are ready to put on a show for large community events.

They will even plant accordingly, such as when daffodil bulbs are planted in Leongatha to ensure they bloom just in time for early spring and the Daffodil Festival.

So next time you are out and about it's worth taking an extra moment to notice them, making the region just that little bit sweeter to live in.
