South Gippsland Shire Council News Successful Computer Recycling Program

Council has re-homed over 100 surplus computers to local community groups who have been putting them to good use.

Each computer package included cleared hard drives, full operating systems, screens and some electric leads.

Computers went right across South Gippsland including to:

- Men's Sheds
- Welshpool Rural Transaction Centre
- Scouts
- Venus Bay and Tarwin Lower groups
- Emergency Services - SES, CFA, Coastguard
- Seniors Groups
- Child Care providers

Many of the community groups who received packages have provided

appreciative comments and feedback.

"The computer which you arranged for the Mirboo North Times Newspaper is up and running. The Times would have had to find over \$1200 for a new machine so this has saved a lot. The computer has Windows 7 which we upgraded to Windows 10 and have setup all our Microsoft Office and network. It now runs beautifully - thanks for your help," said Alan McNamara, Mirboo North Times.

The program has reduced the need for small community grants to be used on computers and has been a sustainable way to manage these resources.

Pictured above: Anne, volunteer at the Mirboo North Times with the 'new' computer in action.

Have you been meaning to register your pet?

Any new registrations made before 11 April will be charged our annual rate - meaning you can have your pet registered earlier and longer for the same price!

Registering your pet has a number of benefits so make sure to take advantage of the opportunity.

Register your pet today:

YOUR FEEDBACK

We are seeking your feedback on the following:
South Gippsland Coastal Strategy Project
Our coast is a beautiful natural asset - highly valued by our local community and visitors. Council has identified possible options to manage issues that threaten the coast's future.
Don't miss out! Make your submission by 28 February at oursay.org/southgippsland/coastalstrategy
