South Gippsland Shire Council News Bair Street Project Update

The next stage of the Bair Street Redevelopment Project will begin soon. The first stage, which was coordinated by South Gippsland Water, involved the replacement of old water mains along the length of Bair Street.

The next stage - due to start at the end of March - will include the relocation of overhead powerlines underground. This significant undertaking will allow for a cleaner streetscape and create more opportunities for footpath trading and dining. Civil works to improve the footpath and reduce the lanes from four to two will follow soon after.

A sod turning event to officially mark the commencement of the project will be held on Tuesday 31 March in Leongatha at the site office. To confirm your attendance, please phone 5662 9200.

Bair Street Project - Drop In Session

Want to hear more about the Bair Street Project? Drop in to the Bair Street site office at 19 Bair Street (the old Toy World building) any time between 4.00pm and 6.00pm on Tuesday 31 March to find out about the next stage of the project. No need to book, just turn up.

Does your crossing supervisor go above and beyond?

Nominate them for the Victorian Supervisor of the Year Award 2019/20!

Our crossing supervisors make a great contribution to our community and we need your help to recognise them for all their work.

Make a nomination before 8 May:
