Community Leadership Program Open!

Expressions of interest are now being accepted for the South Gippsland Leadership Program.

The Community Leadership Program aims to equip participants with a set of skills that will enable them to effectively work with other people, strengthen their leadership capability, manage conflict, delegate and meet objectives.

It is hoped participants will use the skills they gain through the program to positively influence and support the development of local communities in South Gippsland.

Participants will partake in an intensive nine session skills development program which is expected to be held between October 2020

and March 2021 in locations across South Gippsland.

Our community will need leaders that are stronger than ever once the region gets through the COVID-19 crisis and we hope this program may be able to assist those interested in making a difference.

The program is funded by Council and will be at no cost to participants.

Those wishing to learn more or to submit their Expression of Interest can visit:

Applications will be accepted until 29 May.
