## South Gippsland Shire Council News Encouraging Community Leadership

Positions are still open for our Community Leadership Program and we are encouraging interested community members to consider if the program could be a good fit for them.

The program aims to equip participants with a set of skills that will enable them to effectively work with other people, strengthen their leadership capability, manage conflict, delegate and meet objectives. We hope that once participants complete the program they will use their new skills to support our local communities.

In light of the impacts of COVID-19 we are extending the closing date for applications by two weeks.

With restrictions easing a little as we head into June this will give us an opportunity to reach more members of the community who may be interested in the program.

Participants will attend nine sessions held between October 2020 and March 2021 in locations across South Gippsland. The program is at no cost to participants.

If you would like more information on the program or to submit your expression of interest before 12 June please visit [www.southgippsland.vic.gov.au/leadership](http://www.southgippsland.vic.gov.au/leadership)
