## South Gippsland Shire Council News Apply Now For 2021 Kindergarten

Applications for 2021 three-year-old and four-year-old kindergarten enrolments close soon. The cut-off for next year's applications is 30 June.

If you have a child who will be ready for kindergarten next year, you can sign them up via Council's central enrolment process.

Simply head to the enrolment website and nominate your top three kindergarten preferences before 30 June. Children will then be allocated into kindergarten programs in accordance with State Government Priority of Access guidelines. Where demand for a program exceeds the number of places available a waitlist will be created in partnership with kindergarten providers.

Centralised enrolment helps to ensure that the maximum number of children are able to receive their kindergarten preferences through a fair process.

Parents/guardians are encouraged to start their enrolment as early as possible as a range of supporting information will be required.

If you would like more information about the central enrolment process or to make an application please visit [www.southgippsland.vic.gov.au/centralenrolment](http://www.southgippsland.vic.gov.au/centralenrolment)
