South Gippsland Shire Council News Community Grants Now Open!

Round One of Council's 2020/21 Community Grants Program is now open and accepting applications until 31 August 2020.

The Community Grants Program aims to support community initiatives that enhance the quality of life, heritage, recreation and cultural opportunities for South Gippsland residents.

Community, volunteer and not-for-profit associations operating in South Gippsland are encouraged to apply. Funding can be used to complete projects, to deliver events and services or to purchase equipment.

Last year 69 grants were awarded to 68 groups with a total value of \$257,401.

These dollars were then leveraged to support projects that were worth over \$770,000 dollars to the local community.

We are excited to see what projects can be supported this year and the positive impact they will have on our region.

Guidelines and eligibility have been updated this year so please get in touch with Council's Grants team if you have any questions on 5662 9200.
