COVID-19 Business Support Grants Available

To assist with the immediate hardship our businesses are facing, Council has created the COVID-19 Business Grants program for businesses with a shopfront in South Gippsland.

Eligible businesses will receive a one-off payment of \$1000 (ex GST) to spend on essential business fees, services and/or materials.

Funding can be used for fees, services and materials such as:

- financial advice/accounting/bookkeeping
- materials to help make your business COVID-safe

It is our expectation that funding for services and materials should be spent in the local community. This will assist with supporting our local economy during these difficult times.

Applications are now open and close 5.00pm 31 July or until such time the funding allocation is exhausted.
