South Gippsland Shire Council News Stay Connected with us!

While we all must stay physically apart right now in order to keep each other safe this doesn't mean we can't connect in other ways.

Many of us are taking the time to call or video chat with loved ones and friends, attending virtual classes and keeping up with social media. By being creative with our connections we can support our wellbeing during these restrictions.

At Council we want to stay connected to our community as well by sharing information and support where possible during these uncertain times.

One way we do this is by providing a fortnightly e-newsletter *In The Know* which highlights upcoming online events,

important Council updates and positive stories occurring in our region.

It's the perfect way to keep informed on what is happening at the moment without being bombarded - as we promise not to clog up your inbox!

Those wishing to sign up for In The Know can visit:
www.southgippsland.vic.gov.au/intheknow

Remember to stay at home, stay safe and keep checking in with others online when you can. We will get through this if we support each other along the way.

Whilst COVID-19 pandemic restrictions are in force, Council Meetings will be conducted virtually and access to the live stream will be the 'open' component of Council Meetings. Please contact the Council Business team should you require assistance with any aspect of Council Meetings.
