South Gippsland Shire Council News Keeping Up with Council Meetings

As we begin another Council Meeting week we wanted to ensure everyone was updated on our current meeting schedule.

Due to COVID-19 all Council Meetings are being held virtually to ensure the safety of all those who are participating.

While this does mean that all sessions are closed face-to-face to the public, our livestream is available for anyone to view.

Our livestream actually has a few features which makes keeping up with Council decisions simple.

Did you know that you can watch our Council Meetings at any time from anywhere with an internet connection?

This means that if you cannot watch the meeting live you can review it later on at a time that suits you.

This feature is also useful for anyone who wants to view the discussion around a certain agenda topic, rather than watching the full meeting.

To access our livestream during the meeting or on demand please visit www.southgippsland.vic.gov.au/live
