South Gippsland Shire Council News Making Progress with COVID-19 Support

Last week Council adopted Phase Two of the COVID-19 Community Support Program to extend our support to the community during this difficult time.

As the new phase of support is beginning to roll out we thought this would be a wonderful opportunity to reflect on the progress made so far for recovery.

During Phase One of the \$2M COVID-19 Community Support Package:

- Over 816 subsidised flu vaccinations have been administered
- Community Restarter packages, which include hand sanitiser and dispensers, are being delivered to community groups across the Shire
- 83 businesses have received financial

assistance through the COVID-19 Business Grants program and 600 businesses will benefit through the refund or waiver of business registration fees

- Many groups have already taken advantage of the COVID-19 Community Grants which are still open
- 93 per cent of local invoices were paid within 14 days in July. An increase from 76 per cent in June
