South Gippsland Shire Council News Making Progress in Baromi Park

Council is proud to see works developing well in Baromi Park, Mirboo North.

The skate park extension and basketball half court are making great progress, with refurbishment works to the existing skate bowl underway.

Our amphitheatre structure at the other end of the park is starting to take shape too.

Both projects complement the recently completed adventure based

playground and public toilet facility, all key elements of the Baromi Park Masterplan.

We look forward to having these facilities ready for community use - as we anticipate there will be keen skaters and basketballers ready to play.
