South Gippsland Shire Council News Calling All Local Creatives!

Council is seeking local creatives to help deliver a newly developed Arts Package; a unique and exciting collection of arts projects, events, training programs and employment and mentor opportunities, designed to provide a critical helping hand for our community, while dealing with the ongoing effects of COVID-19.

This project is delivered as part of Council's \$2M COVID-19 Community Support Package.

The package will feature 10 art-based creative projects which will require local visual artists, writers, filmmakers, musicians, designers, arts workers (to help facilitate and deliver community arts and music projects) and a photographer/filmmaker to document all 10 projects.

Project briefs and an expression of interest form are available online at: www.southgippsland.vic.gov.au/covid19creativeandculturalarts
