L2P Driver Mentors desperately needed

If you are a fully licensed driver and have a couple of hours spare time per week up your sleeve, we need you!

The TAC L2P Learner Driver Program is a statewide initiative designed to help disadvantaged young people aged between 16 and 21 gain driving experience and set them up to get their driving licence.

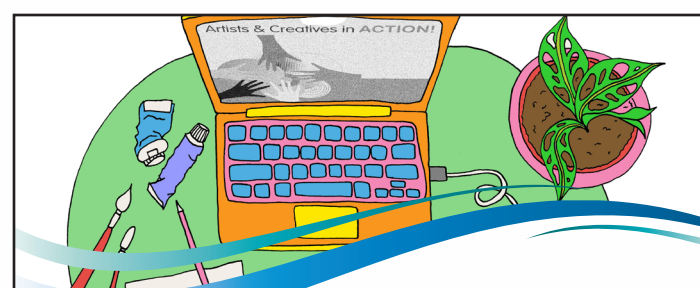

We have a number of young people who are on the list who need an experienced driver to teach them how to drive.

To become an L2P mentor you need:

- To attend three training sessions
- To hold a full Victorian Drivers Licence
- A willingness to work with young people
- Minimum 10 years driving experience (preferred but not essential)

Training and ongoing support will be provided.

If you are interested, or would like more information about the program, please call the program coordinator Denise Trani on 5662 9200 or head to Council's website: www.southgippsland.vic.gov.au/l2p
