Budget 2021/22 ready for review

At South Gippsland Shire Council's meeting on 14 April, Administrators endorsed the Proposed 2021/22 Council Budget and the Proposed 2021/22 to 2030/31 Financial Plan.

The Council Budget and Financial Plan are fundamental to Council's function as they outline how future operations will be funded. At its core, the Budget outlines Council's aspirations for the next four financial years - how it intends to serve the community and deliver services and capital works.

The 2021/22 Council Budget is just one part of the 2021/22 to 2024/25 budget and includes a number of exciting

priorities for this financial year such as the Korumburra Hub project, Great Southern Rail Trail extension and the redevelopment of the Little Commercial Street Streetscape in Korumburra.

Now that it has been endorsed by Council, the Proposed 2021/22 Council Budget and Proposed 2021/22 to 2030/31 Financial Plan are out for community feedback.

We strongly encourage all community members to have a look at it and provide constructive feedback where possible. You can find the documents on Council's website:

South Gippsland Shire Council's Shift: The Work Life Balance project is offering community events after being on hold for 12 months due to COVID-19.

The project aims to bring together people who work hours outside the 'normal' nine-to-five, be that in hospitals, aged care, the dairy industry, or first responders.

Events will be run across 2021 and will take a variety of forms. The first of these events will be held at Gurneys Cidery on April 30 from 12.30pm to 2.30pm.

ADAPTABLE COMMUNITIES TRAINING

South Gippsland Shire is providing a series of four free workshops across 2021 that have been designed to help community organisations recover from the challenges of 2020. We are encouraging all community

members, volunteers and staff from community organisations and groups in South Gippsland to attend one or more of these workshops.

The workshops have been created to provide organisations with the tools and insights to help them explore what's next in 2021, re-engage with supporters or members, plan projects and source funding for those projects.
