

Round Two Open for Community Leadership Program

South Gippsland Shire Council has opened Round Two of the Community Leadership Program with applications accepted until 3 May 2021.

The program aims to equip participants with a set of skills that will enable them to effectively work with other people, strengthen their leadership capability, manage conflict, delegate and meet objectives.

Participants will partake in an intensive nine session skills development program held between July and November 2021 in locations across South Gippsland. Sessions will be held on Saturdays and some weekday evenings.

The program is fully funded by Council with no fee required for participants.
