Round Two Open for Community Leadership Program

South Gippsland Shire Council is running its Community Leadership Program again! This means that even more people can benefit from the skills developed over the nine sessions.

These sessions aim to equip participants with the skills to effectively work with others, strengthen their leadership capability, manage conflict, delegate and meet objectives. It is hoped that these skills will then be used to positively influence and support the development of local communities across South Gippsland.

The first round of the program ran from October 2020 to March 2021 and positively impacted all participants.

The program will be held between July and November in locations across South Gippsland. Sessions will be held on Saturdays and some weekday evenings.

It is fully funded by Council with no fee required for participants.
