Thank you Volunteers

This week is National Volunteer Week (17 to 23 May). It is a time when we recognise and thank our volunteers for the vital role they play in our lives and the significant contribution they make to the South Gippsland community.

In the midst of a global pandemic last year, our volunteers pulled out all the stops to ensure they could keep social connection alive with their group members. They also continued their activities as best as they could – definitely above and beyond what would ever be expected of them.

Their passion and commitment to our region is palpable when you come

across these people whether it is at a local sporting club or in an art gallery. Volunteers are everywhere – they are at the beach watching out for your family, at your local club, in health support and a range of other places.

If you know a volunteer, use this week as an opportunity to reach out and say ‘thank you’ for all the amazing work they do.

If you are looking for volunteering opportunities, you can find a list of community organisations who might need your help on Council’s website here:

Log 120 hours of driving experience with the help of a volunteer supervising driver.

The TAC L2P program helps young learner drivers with no access to a supervising driver, or vehicle, get experience on the road. Learners are matched with a fully licensed volunteer and a practice vehicle to help them reach the minimum 120 hours required to apply for a probationary licence.

The program is free to join and we have volunteers ready to help you! Please phone Denise Trani on 5662 9200 for more information.
