Health and Wellbeing Consultation open

South Gippsland Shire Council would love you to take part in the Health and Wellbeing consultation that is open until 13 June 2021.

Feedback from individuals and community groups will be brought together and utilised to inform the development of the next Public Health and Wellbeing Plan.

This plan guides the work of Council and our partner organisations to improve the health and wellbeing of our community.

We encourage anyone who would like to participate to first watch the *Our Story* – a five-minute video that provides a brief community health and wellbeing profile.

This will provide you with an important overview of our region – the demographics, the issues and the opportunities.

To participate, please visit:
www.southgippsland.vic.gov.au/sghealth

If you need more information, please contact Council's Social Planning Officer, Vicki Bradley, on 5662 9200.

Would you like to Volunteer?

We are looking for volunteers to join our friendly Prom Country Visitor Information Centre team in Foster!

Our Visitor Information Volunteers support tourism and improve the experience of visitors to South Gippsland.
