South Gippsland Shire Council News

Artists. Artists everywhere!

There are so many Council programs running at the moment that involve local artists and we couldn't be happier!

From Writers in Libraries to our newest program – Artists in Spaces – it really is awesome to see.

Artists in Spaces is a program that celebrates four local artists, working in three local shopfronts in the main streets of Korumburra, Mirboo North and Leongatha.

Throughout June and into the start of July, each artist will have a space to make and create their artworks

on site. During this time, they will be available for conversation and questions from visiting art lovers and the wider community – opening the door for us all to ask how they do their work and why.

If you can, we strongly encourage you to go along and periodically check out these spaces throughout June to see how their work develops over the course of the residency.
