

2020/21 Arterial Road Maintenance Program - South Gippsland Shire

Internal use only - Subject to final funding announcements

South Gippsland Shire Council

Alliance Update - June 2020

Internal use only - subject to final funding announcements

Pavement Reconstruction Sites

\$6.2 million

The Alliance will be delivering \$6.2 million of pavement reconstruction works at eight sites within South Gippsland Shire in the 2020/21 financial year. These sites include:

Buffalo-Tarwin Lower Road

- Ch 1.64 to 3.07

Fish Creek-Foster Road

- Ch 3.30 to 4.95

Korumburra-Wonthaggi Road

- Ch 14.10 to 14.42

South Gippsland Highway

- Ch 84.56 to 85.32
- Ch 99.13 to 101.96 (three sites)

Tarwin Lower Road

- Ch 10.75 to 10.96

In all, 66,204m² of arterial roads totalling 7.20km in length will be reconstructed in South Gippsland Shire in 2020/21. This represents 65% of the Region's total pavement reconstruction program for 2020/21.

Community Gateways Program

Nine towns / 25 sites

Community Gateways signs have now been installed at 23 sites across eight towns within South Gippsland Shire during 2019/20, and the Alliance will be delivering two more in 2020/21:

Completed 2019/20

- Korumburra (four sites)
- Leongatha (four sites)
- Meeniyan (three sites)
- Mirboo North (four sites)
- Nyora (two sites)
- Poowong (three sites)
- Tarwin Lower (two sites)
- Venus Bay (one site)

To be delivered 2020/21

- Foster (two sites)

The Alliance was able to fund the Nyora, Poowong, Tarwin Lower and Venus Bay sites through savings from the initial rollout. This was a great outcome that allowed us to respond to the community following feedback from both Tarwin Lower and Venus Bay residents. Associated line marking and vegetation trimming will be completed at gateway sites in the coming weeks.

High-Risk, High-Speed Rural Intersection Program

Eight sites

The Alliance completed works at eight sites under the High-Risk, High-Speed Rural Intersection Program in South Gippsland Shire during 2019/20, including:

- Bass Highway / Simons Lane
- Bass Highway / Wares Road
- Boolarra South-Mirboo North Road / Limonite Road
- Korumburra-Inverloch Road / Stewarts Road
- Meeniyan-Promontory Road / Savages Road / Samman Road
- South Gippsland Highway / Samson Road
- South Gippsland Highway / Whitelaws Track
- Strzelecki Highway / Samson Road

The picture below shows the improvements delivered at the Strzelecki Highway / Samson Road intersection, with dragon's teeth perceptual line marking and new warning signs on approach to the intersection.

Internal use only - subject to final announcements

Pavement Resurfacing Sites

\$10.2 million

46 pavement resurfacing jobs will be completed by the Alliance on arterial roads in South Gippsland Shire in the 2020/21 financial year. These sites include:

Bass Highway

- Ch 73.03 to 76.57
- Ch 80.14 to 83.08

Drouin-Korumburra Road

- Ch 21.11 to 23.12 (four sites)

Inverloch-Venus Bay Road

- Ch 14.48 to 16.53
- Ch 16.95 to 18.05
- Ch 20.32 to 23.42 (five sites)

Korumburra-Inverloch Road

- Ch 1.65 to 3.13

Korumburra-Warragul Road

- Ch 0.64 to 2.40

Korumburra-Wonthaggi Road

- Ch 7.74 to 8.84

Lang Lang-Poowong Road

- Ch 4.97 to 8.73

Meeniyah-Promontory Road

- Ch 0.03 to 1.12
- Ch 10.30 to 11.27 (three sites)
- Ch 14.87 to 16.68
- Ch 21.49 to 22.63
- Ch 26.79 to 27.37

South Gippsland Highway

- Ch 56.74 to 57.18 (two sites)
- Ch 57.78 to 58.08
- Ch 60.86 to 61.86 (two sites)
- Ch 83.35 to 85.32
- Ch 95.59 to 96.28
- Ch 97.95 to 99.13
- Ch 99.13 to 101.26
- Ch 101.44 to 101.96
- Ch 104.91 to 106.14 (three sites)
- Ch 157.99 to 160.88

Strzelecki Highway

- Ch 45.19 to 45.50
- Ch 49.79 to 51.68 (two sites)

Tarwin Lower Road

- Ch 11.10 to 13.54

Waratah Road

- Ch 0.66 to 1.11 (two sites)
- Ch 2.94 to 6.38

Wilson's Promontory Road

- Ch 28.15 to 28.67

A further eight roads that were reconstructed last year will also receive their final seals this financial year. In all, over 505,000m² of arterial roads totalling 59.12km in length will be resurfaced in South Gippsland Shire in 2020/21.
