June 2021 Storm Update

Repair works are still occurring across South Gippsland following the June storm event.

South Gippsland Shire Council's Infrastructure Maintenance Team, Regional Roads Victoria (RRV) and local contractors have been making significant progress repairing the damaged roads and clearing vegetation, but there is still a long way to go.

An inspection on our road network by Regional Roads Victoria showed that there are 119 roads still impacted by slips, to some extent, and over 1,800 vegetation jobs requiring completion.

The roads which have experienced the

most significant damage and will likely take much longer to repair are Turtons Creek Road, Toora Gunyah Road and Devils Pinch Road.

If you, or someone you know, still requires support following this event, the Storm and Flood Hotline is available. Their details can be found to the right of this article. There is also support available for local businesses who may have been impacted via the Small Business Mentoring Service (SBMS). They are providing free one-on-one business mentoring sessions that can be booked here:

RECEPTION OPENING

As we work to safely re-open following the recent changes in COVID-19 restrictions, Council offices will re-open from Monday 13 September from 10.00am to 2.00pm.

The Customer Service team will be available to assist you face-to-face during this time for financial transactions and general queries. The team is also available for telephone, email and website inquiries during our usual hours of 8.30am to 5.00pm.

To ensure we are keeping our community safe and our staff safe and meeting density requirements, appointments can be made for in-depth enquiries relating to planning, building or rates, for either a telephone, video or face-to-face meeting.

Please contact 5662 9200 for further information or to book an appointment. We thank everyone for their patience and understanding.
