South Gippsland Shire Council News

Shop Local South Gippsland!

Local residents are being encouraged to shop local as part of a new marketing campaign called 'Shop Local South Gippsland'.

Made possible by funding in the COVID-19 Community Support Package, the campaign aims to support local businesses by helping to promote Shop Local and Eat Local messaging. It is a reminder that these businesses are mostly owned and operated by local people. Many are family businesses who contribute to local schools, sporting clubs and community groups. By supporting local businesses, the whole community benefits. This type of messaging is particularly important right

now as many businesses continue to be impacted by often sudden changes to COVID-19 restrictions.

The campaign features advertising, shop signage, posters, a social media campaign, and reusable bags featuring the Shop Local South Gippsland branding that will be available through many local businesses. It is hoped that the consistent messaging will become familiar with residents and be a friendly reminder to support our small, local businesses instead of online or in metro-based shopping centres.

Shop Local, Eat Local South Gippsland!
