## South Gippsland Shire Council News

### Final Our People Podcast live

Over the past few months, we have heard amazing stories from some of our local residents.

Every podcast has told the story of a person or couple who call South Gippsland home. Some grew up here before moving away and then returning – others made a tree or sea change, but one thing they all have in common is a love for South Gippsland. In case you have not looked them up recently, here's a snapshot of the stories we've heard:

- Kim and Jay – farmers who have adapted their business during the COVID-19 pandemic.
- Melanie – a local artist who moved away and came back after rediscovering her passion for South Gippsland.
- Jaci – a chef who runs Jacican Food

Studio and grows her own vegetables.

- Jackie – a small business owner who moved from Northern Victoria to our region.
- Robert – a local historian and proud volunteer at a community-run newspaper.
- Rondinne – an individual who has lived on four different continents, including Australia.

As you can see, we've heard from a variety of people, all from different backgrounds that all add something unique to the place we call home.

If you have not had a chance to listen to them yet, you can find them on Apple Podcasts, Spotify or Council's website [www.southgippsland.vic.gov.au/ourpeoplepodcasts](http://www.southgippsland.vic.gov.au/ourpeoplepodcasts)
