# Nominate now for the 2022 South Gippsland Australia Day Awards

If you know someone who deserves to be recognised for their contribution to the South Gippsland community, now is your chance!

Nominations are open for the 2022 South Gippsland Australia Day Awards. These awards are a great way to recognise people who go above and beyond in our community.

Like last year, there will be two categories – Citizen of the Year and Young Citizen of the Year. Usually there is an Event of the Year category, but for the past few years this category has not been part of the awards due to the impacts of the COVID-19 pandemic. Hopefully it can make a strong return in 2023.

Awards like this are a great opportunity to celebrate individuals who have made a significant contribution to our region. We are lucky to have so many people who give so much to our community. What better way to say thank you and let them know their work is appreciated than by nominating them for these awards?

To lodge your nomination, simply answer two questions about the nominee's contribution to our community and provide at least two letters of support. Nominations can be made online at: [www.southgippsland.vic.gov.au/australiaday](http://www.southgippsland.vic.gov.au/australiaday)

Nominations close 8 November 2021.
