Grant Funding Secured for Two Projects

South Gippsland Shire Council has recently received funding for two projects.

The Railway Precincts Development Project at Leongatha and Korumburra has been given a boost after receiving a \$3 million grant from the Federal Government's *Building Better Regions Fund*.

The project, which is costed at \$6 million, will support the Leongatha to Nyora rail trail extension and transform disused and neglected sites into attractive and usable public spaces.

The other grant application that was successful was for the Foster

Showgrounds Oval Upgrade and Irrigation project. It will receive \$150,000 from the State Government's *Country Football and Netball Program*.

This project will see the oval resurfaced, levelled, better drainage and a new automatic irrigation system installed. All of this work is anticipated to cost \$430,000, and importantly, will help to conserve water use and reduce operating costs.
