## South Gippsland Shire Council News

### Free Green Waste Disposal

South Gippsland Shire Council's annual Green Waste Amnesty has commenced and will run until 31 December 2021.

Residents can dispose of their green waste for free at any of Council's transfer stations during this period.

The amnesty aims to encourage residents to prepare their properties for the fire season by removing potential fire hazards.

However, to improve the quality of the mulch produced, there are several species of weeds that are not accepted as green waste, including Blackberry, Ragwort, Broom, Mirror Bush, Kikuyu Grass, Hawthorn, Cape Weed, Gorse,

Blue Butterfly Bush and Pampas Grass. Species that are difficult to mulch properly are also not included in the amnesty such as palm fronds, Yuccas, Cordylines and other related species.

If any of these species are taken to a transfer station, they must be disposed of as general waste with applicable disposal fees applying. Alternatively, they can be disposed of through the kerbside green waste collection service as this material is subjected to a different composting process.

For transfer station operating hours and locations, please visit [www.southgippsland.vic.gov.au/tips](http://www.southgippsland.vic.gov.au/tips)
