

Immunisation Consent Card Winner

Congratulations to Korumburra Secondary College on achieving a 98 per cent return rate for immunisation consent cards for 2021. Each year South Gippsland Shire Council awards a prize to the secondary school that connects the most students with the secondary school immunisation program.

Korumburra Secondary College were this year's winners with Foster Secondary College coming second after increasing their return rate from 79 per cent last year to 89 per cent this year.

Korumburra Secondary College was presented with certificates and a \$750 BIG W gift voucher as part of their achievement. The immunisations will occur early next year. For more information about the immunisation program, please phone 5662 9200.

Quotes attributable to South Gippsland Shire Council's Acting Coordinator Children and Family Services Vicki Bradley:

"South Gippsland secondary schools achieved impressive immunisation consentcard returns this year. We are pleased to provide the secondary school immunisation program and help protect many local students from disease.

"We would like to thank all of the schools for their participation and the office staff and teachers who distributed the immunisation packs and provided information on the immunisation program. Without their support it is unlikely that we would have had such a terrific result," said Ms Bradley.
