A Great Day Out? A Day on the Course, of course!

Bookings for 'A Day on the Course' are now open. Featuring an impressive line-up of popular Australian artists and local performers the Invy Horn Jam, this event is not to be missed.

The event will be held at the Stony Creek racecourse on Saturday 19 February. Tickets are on sale now for \$15 per person, with children under 15 free. Gates open at 2.30pm and the event closes at 10.30pm.

A market-like set up will be a key feature of the day with a variety of local stallholders attending. A variety of food options will be available as well as wine, beer and other beverages. A Day on the Course is a fully licensed,

family-friendly event.

A Day on the Course is being coordinated by South Gippsland Shire Council and has been made possible by funding from the Victorian Responsible Gambling Foundation and the Victorian Government's Outdoor Activation Program. The event location was selected to highlight that racecourses can be enjoyed for more than gambling, and it is a delightful place to spend a relaxing day, listening to live music.

COMMUNITY SURVEY CLOSING SOON

South Gippsland Shire Council is currently undertaking a community survey to help us gain an in-time snapshot of what our community loves about South Gippsland, our challenges and priorities. The results will then be used to develop a regional profile that will be used to guide policy, future planning, decision making, strategy and program development.

Some households will have received a survey in the mail, while others won't, but that doesn't mean we don't want to hear from you. If you have received a physical copy, please complete that or follow the link you were given. It will help us understand who completed the survey

from the random selection part of the process.

If you haven't received a copy, you can jump online and complete yours at yoursay.southgippsland.vic.gov.au. The survey closes on 20 February so please make sure you complete it as soon as possible.

STREETLIGHT UPGRADE PROJECT

In an effort to reduce energy usage and increase safety for our community, South Gippsland Shire Council, alongside East Gippsland Shire Council and Wellington Shire Council, is undertaking a bulk streetlight replacement project.

The upgrades began last week and will progress across the Shire until the end of March.
