

## Register Now for Your Say South Gippsland

South Gippsland Shire Council is encouraging all community members to register for Your Say South Gippsland as more opportunities to have your say become available.

The platform is a one-stop shop where community members can be kept in the loop and provide feedback on Council projects and services. It is one way that Council are increasing engagement efforts with the community and residents can shape the future for South Gippsland.

Currently feedback is being sought for the Venus Bay Skatepark designs and further opportunities will become available for the draft Community Vision and Council's strategic plans including the Council Plan and Budget.

Community members can register for the platform now to be notified of projects or services that are of interest to them. This will ensure they don't miss any opportunities to share their views and ideas.

To view the platform or to register for Your Say South Gippsland please visit:

### **Quotes attributable to South Gippsland Shire Mayor Mohya Davies:**

*"Council would like to encourage all South Gippslanders to register for Your Say South Gippsland as we want to hear from you! The platform has been designed to make feedback opportunities easy for our community – one place where you can be notified to take part and have your say.*

*"As a Council we will be seeking a significant amount of community feedback as we inch closer to June when many of our important strategic plans, including our three-year Council Plan and the Budget, are due for completion. We look forward to working alongside our community for a positive future and Your Say South Gippsland is one way we can make these steps forward together," said the Mayor.*
