More Opportunities for Feedback

At this month's Council Meeting, Council endorsed two draft plans – the draft Great Southern Rail Trail Visitation and Marketing Plan and the draft Social and Affordable Housing Strategy.

We know there have been a lot of feedback opportunities lately, but we strongly encourage you to continue this great work and provide feedback on these plans too.

The Great Southern Rail Trail Visitation and Marketing Plan sets a direction to help elevate the trail from an important community asset to a key visitor experience of our region. It includes projects and activities that are designed

to improve visitor and trail user experience today and into the future.

The Social and Affordable Housing Strategy highlights the opportunities we have at Council to support more social and affordable housing, including advocating for services and supporting providers of social and affordable housing to invest in South Gippsland.

L2P Driver Mentors Urgently Needed

Can you help the next generation of drivers become safer and more responsible on the road? The L2P Learner Driver Program is a state-wide initiative designed to help young drivers obtain their 'P' plates.

If you are a fully licenced driver and can volunteer 1-2 hours of your time per week, we would love to hear from you.

Please phone Denise Trani on 5662 9200 for more information.
