

The South Gippsland Youth Council Returns

South Gippsland Shire Council is proud to announce that it will be relaunching the South Gippsland Youth Council after a few years off.

The Youth Council was originally established in 2004 and provides a great opportunity for local youth to get involved in their community, meet other likeminded young people and get support to work on their great ideas.

To ensure the South Gippsland Youth Council is as effective as possible, South Gippsland Shire Council is calling out to all young people in the region to come along to an information session to be held at Leongatha's Memorial Hall on Thursday 20 October 2022 between 4.30pm and 6.30pm.

This event will help you get to know more about the Youth Council and whether or not it would be a good fit for you.

Food will be provided during the session and transport can be arranged if you need help getting there and home again.

For more information, you can text Sophie Dixon on 0418 949 860, call her on 5662 9202 or email her at sophied@southgippsland.vic.gov.au If you are a parent or other significant adult and want to get in touch or come along, feel free.

Quote attributable to South Gippsland Shire Council Mayor, Mohya Davies

"It is great news that the South Gippsland Youth Council is being relaunched. This is a fabulous opportunity for the young people of South Gippsland to get involved with their community and expand their skills. Opportunities like this are so important for our youth and ensure they feel supported and heard on issues that matter to them and their peers."
