## South Gippsland Shire Council News

### Have Your Say About The Future Of Our Coastal Communities

Time is running out to give feedback on what you think should be included in a new Coastal Strategy for South Gippsland - make sure you have your say.

The Coastal Strategy will provide strategic direction for South Gippsland's coastal areas and help guide sustainable land use and development.

The document is expected to be vital for our coastal communities as it will help us to understand, and plan for, future challenges such as increasing demand for residential and commercial development in coastal areas, climate change risks and ageing infrastructure.

A number of engagement events have already occurred but there are two more pop-up events still to come:

#### Tarwin Lower - Australia Day BBQ

Thursday 26 January  
The Long Table, Tarwin River Boat Ramp, River Drive

#### Stony Creek - Mid Week Racing

Tuesday 31 January  
Stony Creek Racecourse

Alternatively, you can provide your feedback via our online survey or forum at: [yoursay.southgippsland.vic.gov.au](https://yoursay.southgippsland.vic.gov.au)

This is your chance to help us identify the challenges and opportunities facing our coastal communities and to plan for their future. We look forward to hearing from you.
