South Gippsland Shire Council News Youth Council

South Gippsland Shire Council is excited to announce the relaunch of the South Gippsland Youth Council (SGYC).

The SGYC is an initiative led by young people who want to represent the voice of the youth who live, work and/or study in South Gippsland.

What are the benefits of being involved?

Not only will you develop your own skills in areas such as advocacy, project management, media and communications, and have some unique opportunities to develop your leadership skills, you will also have the opportunity to:

- Improve the life of South Gippsland's young people just like you.
- Lend your voice so key decision-makers in the community hear from young people.

• Lead the development and delivery of projects that are important to young people.

- Meet other like-minded people.
- Have fun and be challenged!

Who can join the SGYC?

Anyone 14 to 24 years old who is passionate about improving the quality of life for young people in South Gippsland.

How do I join?

Fill out the online Expression of Interest form at:

Foster Shared Pathway

Last year, Council asked for community feedback on a proposal to create a Shared Pathway on Station Street in Foster, to connect the township with the Great Southern Rail Trail.

We received a great response from local residents, and from this we would now like to hear from the Foster community once more, to see if these proposed options meet the needs of the local community and the project aim of improving pedestrian and cyclist safety.

You can provide your feedback at:
