

Venus Bay Skate Park now open

The new Venus Bay skate park and half basketball court is now open to the public, just in time for Easter and the school holidays.

Project managed by Council and constructed by Precision Skate Parks, the design features numerous curved bank sections with elements including various sized quarter pipes, rainbow rail, flat bank and concrete seating areas.

Temporary fencing is still in place but will be removed after Easter.

Landscaping works, a small retaining wall, and footpath installation will also be carried out in the coming weeks.

The adjacent carpark is also expected to be reconstructed as part of the Venus Bay Tourism Precinct project, and at this stage the majority of the carpark is remains open, aside from the loop section.

Please note the safety guidelines and signage located in the skate park area. The new facility is located in Jupiter Boulevard Park in Venus Bay.

Quote attributable to Kerry Ellis, CEO South Gippsland Shire Council:

"We are pleased that the new Venus Bay Skate Park and basketball half court has been constructed and is now open. We look forward to seeing people – of all ages – using the facility over the school holidays and beyond."
