Garage Sale Trail

Are you ready to embark on a region wide treasure hunt?

The Garage Sale Trail is a two-weekend long adventure you won't want to miss. It is a unique opportunity bringing our community together to buy, sell and share pre-loved items, all while supporting sustainability and reducing waste.

But why should you participate?

It encourages people, businesses, schools and community groups to give their unused goods another life instead of sending them to the tip. It's a fun way to turn household clutter into cash and a great way to meet people in the community.

With huge sustainability impacts, the Garage Sale Trail is making big waves in reducing over 3 million kilograms of 'waste' from landfill.

For garage sale organisers:

The Garage Sale Trail is a great initiative for

those who would like to organise their own sale. All you have to do is sign up for free through the website, create an identity for your sale (make it fun and give your sale name some character), and list a sneak peek of some items you will be selling to promote your event. There are some great resources to help you promote your sale and attract shoppers.

For shoppers:

The Garage Sale Trail website will allow you to search for garage sales in your area and help you decide which ones to visit over the weekend. You can map out your trail of sales and meet people in the Shire whilst you find your new treasures.

The Garage Sale Trail will run from Saturday 11 to Sunday 12 November, and Saturday 18 to Sunday 19 November.

So, what are you waiting for? Check out the Garage Sale Trail website to sign up or find your perfect sale at:
