## South Gippsland Shire Council News

### Green Waste Amnesty Period

To assist the community with fire preparation efforts, South Gippsland Shire Council will be offering free green waste disposal at our Transfer Stations in Koonwarra, Foster, Korumburra, Mirboo North, Walkerville and Venus Bay until Sunday 31 December 2023.

However, to improve the quality of the mulch produced, there are several plant species that are not accepted as green waste, including Blackberry, Ragwort, Broom, Mirror Bush, Kikuyu Grass, Hawthorn, Cape Weed, Gorse, Blue Butterfly Bush, Pampas Grass and Agapanthus.

Species and green waste that are

difficult to mulch properly are also not included in the amnesty such as palm fronds, Yuccas, Cordylines, branches over 300 millimetres in diameter and tree stumps.

If any of these species are taken to a transfer station, they must be disposed of as general waste with applicable disposal fees applying. Alternatively, they can be disposed of through the kerbside green waste collection service as this material is subjected to a different composting process.
