South Gippsland Shire Council would like to thank the artists of Fish Creek and the previous host towns for setting the standard so high when it comes to how the ArtCubes have been utilised.

Quote attributable to Cr Clare Williams, Mayor South Gippsland Shire Council:

“The ArtCubes provide a temporary home/gallery space for our many artists working in all types of mediums. They have activated creativity across the Shire and have proven time and time again that the Cubes know no bound when it comes to what can be achieved from within them.”

I'm thrilled with how well the ArtCubes have been received by the community and I can't wait to see what Meeniyan does with the travelling trio of upcycled shipping containers.”
